

Disability Awareness in Palliative Care

Understanding issues for people with intellectual disabilities at End of Life

This workshop is aimed at staff:

- who provide health services for people in group homes
- who have previously undertaken a PEPA placement
- working in specialist palliative care community services
- who work in palliative care inpatient and consultancy services

Facilitated by: Sharon O’Hehir, Disability Consultant

The workshop will provide participants with:

- the context of disability service provision in group homes
- an understanding of communication challenges
- strategies to better care for people at end of life

WHEN:

Wednesday the 25th of October 2017

WHERE:

Calvary Health Care Bethlehem
476 Kooyong Rd, Caulfield South VIC 3162

TIME:
