

Palliative Approach Toolkit Support Initiative (PATSI)

How do we know how well we do palliative care? Conducting a Deceased Resident File Audit

Audience

Specifically for Managers, CNCs and Link Nurses committed to the ongoing implementation of the palliative approach in Residential Aged Care Facilities.

This session will ...

- outline the benefits of an audit
- instruct how to conduct the audit
- provide strategies to act on the audit findings

Presenter

Carol Barbeler

Palliative Aged Care and Disability Resource Nurse
Gippsland Region Palliative Care Consortium (GRPCC)

Carol is a Registered Nurse and has completed a Master of Applied Gerontology and a Master of Palliative Care in Aged Care at Flinders University. Carol has previously worked as a nurse manager and care coordinator of a residential aged care facility, and a special care dementia unit, and has also trained as a Diabetes Nurse Educator.
