

# SMR Palliative Care Forum 2018

for Specialist Palliative Care Staff

## through the labyrinth clinical decisions ethical dilemmas

Facilitated by:

**Beth Wilson**

former Victorian  
Health Services  
Commissioner

*Date:* Friday 22 June 2018

*Time:* 9:30 – 3:30

*Venue:* Sandy by the Bay, Sandringham

This forum  
will explore clinical practice  
within the increasingly complex  
environment of the Victorian health system.

- the Medical Treatment Planning and Decision Act
- upcoming changes in the Victorian assisted dying law
- increased demand with largely unchanged funding and
- the increasing privatisation of service delivery outside the palliative care space (NDIS, home nursing)

have changed the way our services and  
clinicians make and support decisions.

The forum will include:

- large interactive components
- presentations from services
  - a panel discussion with experts

**Registration is essential**
